

St Peter's Outreach – Finding the Student Support Suite

When you enter the Prospect Building, you will see a sign above the door directing you towards the Student Support Suite.

Turn right and head towards the library, following the signs as shown below.

Once you reach the Library, you will see the entrance barriers. If you have a Student ID card you will be able to swipe your card to enter the Library and reach our waiting area. If not, please ask for assistance at either the Library Helpdesk (just at the right of the barriers) or the Gateway Reception, to the left of the main doors to the building.

Once through the barriers you will see our waiting area signposted on the left. Please wait here and your assessor will come out to meet you at your appointment time.

Once sitting in the waiting area, the Student Support Suite is in front of you and we are in room number 106, Interview Room 8.
